							CS Straw				
							PAINTED				
							CW Painted White				

See dimension chart for exact sizes.

Consult factory for max ambient temperature.

²Narrow beam not available for 8".

³8" wide beam includes a faceted reflector.

Contact factory for other anodized and painted colors.

For other voltages and dimming options, consult factory. Consult factory for dimmer compatibility.

¹ If UP and DOWN options match, use one code and omit using forward slash. If UP and DOWN options do not match, list UP option first and DOWN option second with a forward slash between them.

³For independent control of UP and DOWN light, specify the same control separated with a forward slash. Not available with all options.
